Flexibility for your business

flexibility for your business

When you need freight moved by air, road or sea, or a combination, TNT Special Services has the expertise and resources to offer you a fast, reliable and secure range of services with the benefits of standard features such as guaranteed time and day specific deliveries and supported by on-line tracking and proof of delivery.

If your requirements are something a little out of the ordinary, TNT Special Services will provide the highest levels of quality, reliability and customer care because we work with you to understand your business.

aim higher with Freight Services

By air, road and sea, TNT offers the most flexible worldwide freight delivery service.

Whatever it is, wherever you want it

TNT Freight Services are available to take your large, heavy and unusual loads anywhere in the world – with no size or weight limitations. Our international operations link the key areas of world trade serving more than 200 countries. Supported by extensive national and international networks, no one goes further to offer you faster, more direct freight services.

Air Freight

Air freight is about speed with high demands on accuracy and dependability. TNT Special Services can also offer you and your customer complete flexibility by offering two levels of service, Door to Door and Door to Airport.

Door to Door

TNT Special Services will manage your shipment through its entire journey. We will collect from your premises and select the fastest most direct route to the destination airport; customs clear and deliver to your client on the date promised.

Door to Airport

The same level of high service applies to this option from collection through to destination airport. The control of your shipment and documentation will be handed to your or your customer's nominated partner.

- Flexible options
- Global coverage
- Total visibility
- Choice of airline partners
- Import/Export

Road Freight

We provide a tailored pick-up and delivery solution for a direct, non-stop route to your desired destination. Security of your shipments is a priority to TNT and we will ensure your goods are handled safely and securely at all times. Items can be tracked throughout their journey and a proof of delivery is supplied.

- Immediate pick-up
- Daily services to destinations across Europe
- Transportation of any type of load including hazardous materials
- Guaranteed day and time definite deliveries
- Safe and secure handling
- All import and export formalities handled
- Full and part loads delivered
- Dedicated vehicle charter for special deliveries

Sea Freight

If sea freight container transport is the most efficient method of delivering your worldwide shipments, our integrated air and road networks link with major seaports to provide connectivity to a global sea freight operation. Our maritime experts work with major shipping lines to give you access to extensive shipping schedules across the world.

- Sea transportation for all types of goods including hazardous (subject to International Maritime Dangerous Goods Code)
- Shipments delivered door-to-door, door-to-port or port-to-port
- All import and export formalities handled
- Full container loads and less than container loads
